Supplemental Type Certificate

Number SA3128SO

This certificate issued to Pemco World Services, Inc
100 Pemco Drive
Dothan, AL 36303

Added Notes at Surrender:

1. Future unsafe conditions existing in the product can result in an airworthiness directive requiring correction of the unsafe condition before further flight. If there is no entity to comply with 14 CFR 21.99(a), Required design changes, the existence of an unsafe condition might result in permanently grounding of the aircraft.
2. Replacement parts might not be available in the future.

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product - Type Certificate Number : A16WE

Make : Boeing

Model : 737-400

STC Surrender processed:

Approval by: 
Melvin Taylor, ATL ACO Manager

Date: 8/4/2007

Description of Type Design Change:

Installation of passenger seats and galleys per Pemco Aeroplex, Inc. Engineering Report No. 9101, Drawing List: Malaysia-400 Master Control List 9101, Revision "C", dated September 18, 1991, or later FAA approved revisions.

Limitations and Conditions: This approval is limited to Serial Number 25134. This approval should not be extended to other aircraft of this model on which other previously approved modifications are incorporated, unless it is determined by the installer that the interrelationship between this change and any other previously approved modifications will produce no adverse effect upon the airworthiness of that airplane. This determination should include consideration of significant changes in weight distribution such as an increase in the
